The Court, acting under MCR 7.203(F)(2), orders that the motion for reconsideration is DENIED. On December 9, 2005, the Oakland Circuit Court, Family Division disposed of the child support issue reserved in the November 9, 2005 judgment of divorce by entering an order that terminated appellant's parental rights. Since this order postdates the filing of the claim of appeal, this Court did not err when it dismissed appellant's claim as premature. MCR 7.202(6)(a)(i) and 7.203(A)(1).
